

# DISSTON

## SAWS AND TOOLS

### Buy Your Saw Like The Carpenter Does

There is no reason in the world why the farm tool kit should not be just as good as the carpenter's. There is a big difference between a good saw and a poor one and there is a big difference in the sort of work they turn out. The difference in saws doesn't show on the outside—it shows in the way they work. If you buy your saw the same way the carpenter does, it will do the work as well as the carpenter's saw. Buy it by name—Disston. That is all you need to know. Quality does show on the outside of a Disston Saw. It is stamped on the blade and it is spelled like this—"Disston." Look for it. It is your guarantee.

**F. M. PERKINS,** HAYTI, MISSOURI

#### Special Notice

If you get a copy of The Herald this week and are not a regular subscriber, it is sent you as an invitation for you to become a subscriber. We are adding new names every week, all paid up. You need the Herald and we need your name on our subscription list. Either see our reporter or bring or send your subscription to this office, \$1.50 per year.

Publisher J. S. Smith of the Caruthersville Republican is in St. Louis this week for an operation for eye trouble, having been afflicted with cataracts for some time. He is accompanied by his wife, Mrs. Katharine Yater Smith, editor of the Republican.

John T. Buckley and wife are in St. Louis this week attending the Spring markets, and purchasing goods for the Buckley Store.

#### Stanley News

Health is very good in this vicinity at present. Bill Bied made a trip to Hayti Saturday.

Mrs. John Gaines and family passed through our neighborhood Saturday on their way to Portageville, and Mrs. Maude Gaines stopped over and paid Miss Viola Patterson and Mrs. Dan Bied a visit Saturday night and Sunday.

Miss Minnie Monan, the Dry Bayou teacher, passed through our neighborhood Sunday and stopped and had a "chat" with our teacher, Miss Viola Patterson, and said her school was making some improvements.

Little Maudie Bied had company Sunday. The guests were Eunice and Inace Jackson, Opal and Virgie Fisher and Flora Casey.

Our school is progressing nicely also. There is only two more weeks of school. The teacher gave the eighth grade final examination last week. There were two pupils in the eighth grade, and the writer is anxious to see them pass.

Mrs. James Swinea moved a few days ago to the old Merrett residence and Mrs. Merrett moved in part of the store building.

#### Hayward News

Rev. Boswell began meeting at the Baptist church Sunday night.

Gladys Stegall and Lena Brasher were the guests of Beulah Hughes Saturday night and Sunday.

Roy Hughes moved to the Hall residence last Thursday.

Miss Beulah Hughes was the guest of Marie Fields Sunday night.

W. L. Hall moved to the DeLisle place last Thursday.

A party was given at Arthur Teracetti's last Friday night. Among those present were: Misses Nora Watson, Gladys Stegall, Lena Brasher, Marie Fields, Myrtle Durbin, Francis Flowers, and Delma Fields of Portageville. Violet Hawkins, Messrs. Buster Watson, Jess Hawkins, Emmitt Durbin, James Flowers, Tience Corsey, George Corsey, and many others, whose names we are unable to give.

J. H. Hinkle will move in a few days to Hayti.

Violet Hawkins was the guest of Myrtle Durbin Saturday night.

The Hayward school have their new basket ball, and have put up the goals, and organized their teams.

—Pure bred St. Charles (red cob) corn. Will run 50 per cent seed corn. Only 200 bushels left. Price \$1.50 per bushel. E. D. (Toad) Baird, Hayti, Mo. 16-17pd

## ROAD BUILDING

### ISSUE WEATHER FORECASTS

Aid for Automobile and Motortruck Traffic During Winter Over Lincoln Highway.

(Prepared by the United States Department of Agriculture.) The weather bureau of the United States department of agriculture has arranged, in co-operation with the state highway commission of Pennsylvania, to aid the automobile and motortruck traffic during the winter over the Lincoln highway between Pittsburgh and Harrisburg by giving out daily information of the weather conditions prevailing over the route and issuing weather forecasts and warnings of heavy snows and cold waves for the region traversed. The plan is for the assistant superintendents of highways at points along the route to report to the weather bureau office at Pittsburgh at eight o'clock each morning by telephone or telegraph the depth of snow or ice on the highway, giving its general condition. These reports

Road Roller Doing Repair Work.

are published in the newspapers and furnished to the different automobile clubs, thus becoming available to automobile and motortruck drivers passing over the highway. The forecasts and warnings are given public distribution and telegraphed to the superintendent of highways at Harrisburg, who gives instructions to his forces along the highway to make provisions for the anticipated weather conditions. This service was in operation last winter and gave great satisfaction. The weather bureau is ready to give similar service to other traffic routes as may be desired.

### DRAWING IS OF IMPORTANCE

Road Improvement May Well Be Considered Reconstruction Measure—Increases Farm Values.

Roads should not be neglected at this time in our endeavor to increase food production. Road improvement might well be deemed a reconstruction measure. In many communities they are much better than in others because the farmers are back of the good roads movement. They realize that a good road saves labor, time, horse flesh and automobile repairs and in addition increases the selling value of the farm.

Every progressive farmer should have a road drag and not be afraid to use it. A well-dragged road is a well-crowned road, and a well-dragged road. The dragging should follow each rain. If properly used it will bring a thin layer of earth toward the center of the road at each dragging. The travel will roll and solidify it between rains.

On roads where too much crown has been formed the angle of the drag can be reversed. A few draggings will reduce the high crown to a more level and much safer road for fast automobile traffic.

### FOUNDATION OF FARM LIFE

Upon Good Roads Depends Marketing of Various Crops and Better Schooling of Children.

Good roads are the very foundation of country life. Upon them depends the marketing of what farmers grow, the pleasures of social life, and the better schooling of the children. If life is made better by good roads, surely they are worth paying for. There is nothing so much worth while as happiness. The interurban lines have increased it for a few; the auto has brought it to many more, and good roads everywhere would bless all.

**Cause of Soft Shells.** Soft-shelled eggs are often caused by the fowls being confined, becoming overfat, and from lack of mineral matter.

**Feed for Idle Horses.** Horses will do well, if not worked, on clover hay alone. Even if worked moderately, good clover hay may be made to be sufficient.

**Big Loss by Rats.** Rats destroy \$200,000,000 worth of food annually. Destroy the rat.

G. R. Ogden, of Shinnston, W. Va., says: "I have used AVALON FARMS HOG-TONE 56 days and I think it is the best medicine I ever used. I have two pigs 4 months and 3 days old that weigh 360 pounds, one 6 pounds heavier than the other. They are 100 pounds heavier than my neighbor's 2 of the same litter and feed."

This is the experience of a typical user of Hog-Tone. There are hundreds and hundreds of letters on file at the Avalon Farms Company's office from nearly every state in the Union, all telling of big improvement in hogs and in hog profits through the use of Hog-Tone, the scientifically prepared Hog Conditioner, Fattener and Worm Remover. Hog-Tone is sold on 60 days' Free Trial under an absolute money-back guarantee. Come in the store and tell us how many hogs you have in your herd and we will give you enough Hog-Tone to treat all of them 60 days. You don't have to pay for it unless you are absolutely satisfied. The decision is left entirely to you.

### IT COSTS YOU NOTHING NOW TO TRY 60 DAYS' TREATMENT OF AVALON FARMS HOG-TONE

— THE LIQUID HOG FATTENER, CONDITIONER AND WORM REMOVER — FOR ALL YOUR HOGS

If AVALON FARMS HOG-TONE doesn't make you MORE MONEY—produce more pounds of pork for you from the same amount of feed—we don't want your money. We want to give you the same opportunity to prove that this has been given to thousands of farmers. Here's a letter Jno. W. Crane, hog raiser near South Whitney, Ind., wrote after accepting this offer: "I selected four pigs out of my bunch, three were runts. I weighed them and they averaged 85 pounds. I fed AVALON FARMS HOG-TONE four weeks. I sold them eight weeks from the time I weighed them and they averaged 221 pounds per head." Scores upon scores of similar letters are in the Avalon Farms Company files in Chicago.

### AVALON FARMS HOG-TONE

"Puts Kinks in Their Tails"

AVALON FARMS HOG-TONE is the only Veterinary Remedy ever sold with a definite guarantee to produce a definite percentage of profit. It is guaranteed to produce 40 per cent profit on the cost of the medicine on any hogs, NO MATTER HOW HEALTHY THEY MAY BE, and we will back up that guarantee and let you prove it to your own satisfaction.

We know we are safe in making this guarantee. We have thoroughly investigated this remedy and know what it has done and is doing for hog raisers. We are handling Hog-Tone because we know this and because we know that the price of hogs is going higher and higher. We know also that there is a serious shortage in hogs, especially a shortage in high grade porkers—HOGS ABSOLUTELY FREE FROM WORMS—BIG HOGS WITH SOUND, CLEAN FLESH.

### WE GUARANTEE SATISFACTION OR YOUR HOG-TONE COSTS YOU NOT A PENNY

We want you to take one \$1.00 bottle of Hog-Tone for each eight hogs in your herd. This will be sufficient to treat your eight hogs sixty days or more. This will mean a cost of 12 1/2c a hog for a treatment that is guaranteed to give you a profit of 400 per cent over and above the cost of the Hog-Tone treatment at the marketing time. If Hog-Tone does not do this—does not completely satisfy you—all you have to do is to soak the labels off and return them to us and we will return your money.

We know that we are safe in making this offer because we know that AVALON FARMS HOG-TONE has and will live up to the claims made for it and because we know that the AVALON FARMS COMPANY is back of us. We know we can't lose on this proposition and neither can you.

Either way our unqualified guarantee of satisfaction stands behind you. Not one cent of cost to you unless you believe your hogs got results.

And you are the judge and jury. All you have to do is to return us the labels and the charged is cancelled. Your money will be returned to you if you bought on a cash basis.

FOR SALE BY  
DRUGS JEWELRY **SEFLER'S** THE Rexall STORE

C. W. Chilton of Williamsville we acknowledge a very pleasant call was here a few days this week visiting his cousin, J. H. Chilton, and over our fine farming country.
